I am accordingly instructed by the Directorate General of Employment and Training to say that your request in respect of Mr./Mrs./Miss..... would be considered only if he/she is found eligible in accordance with this principle. We hope we shall have your fullest co-operation in this matter.

NON-AVAILABILITY CERTIFICATE

Reference your #.....notifying
.....(Number) vacancies of
(type of vacancy). It is certified that at present moment no suitable applicant is available with the Employment Exchange for submission against this/these vacancy/vacancies. There is, therefore, no objection to the vacancy/vacancies being advertisement or filled direct under the same terms and conditions. The full particulars of the person(s) appointed by you , i.e. name(s), qualifications, age(s) experience, etc. should however, kindly be intimated to this Exchange as soon as the vacancy/vacancies is/are filled.

The non-availability certificate is, however, valid only for 6 months and if the vacancy/vacancies remain unfilled at the end of this period they should be freshly notified in accordance with the instructions of Government (The Ministry of Home Affairs Memo No.F/71 93/56-CS(C), dated the 5th May, 1956) so that if some applicant have become available in the meantime they may be sponsored.

To assist us in meeting your demands for future vacancies and with a view to reducing the number of occasions when non-availability certificate(s) have to be issued, it will be appreciated if whenever, applicants mistakenly apply direct to you for employment they are directed to register themselves at the nearest Employment Exchange. This action if taken regularly, will ensure that both the persons known to the employment service and those known to the employers become available when employment opportunities occur.

**SUBJECT: VACANCIES RESERVED FOR SCHEDULED
CASTES/ SCHEDULED TRIBES/ EX-SERVICEMEN.**

As Ministry of Finance etc. are aware certain percentage of vacancies filled by direct recruitment have been reserved for Scheduled Castes/ Scheduled Tribes vide Ministry of Home Affairs Resolution No. 42/21/49-NGS Dated the 13TH September, 1950. Some percentage of vacancies in Class III & IV posts filled by direct recruitment have also been reserved for Ex-servicemen, vide Ministry of Home Affairs O.M No 14/26/64-Estt(D) dated 4-07-1966. It has been brought to the notice of this Ministry that while notifying vacancies to the Employment Exchanges concerned the fact that a particular vacancy is reserved for Scheduled Castes/Scheduled Tribes/Ex-Servicemen is sometimes not indicated in the requisition placed on the Employment exchange, with the result that candidates who are eligible for the reserved vacancy are not sponsored by the Exchange. It is requested that while notifying vacancies to the Employment Exchange, it should be clearly indicated in the requisition whether or not the vacancies are reserved for Scheduled Castes/ Scheduled Tribes/Ex-Servicemen. Even if a vacancy is unreserved, this should be specifically stated in the requisition. The above points may be brought to the notice of all the authorities concerned, who may also be instructed to intimate the results of submission made by the Employment Exchange to the Exchange within a period of one month. If any of the vacancies reserved for Scheduled Castes/ Scheduled Tribes/Ex-Servicemen is not filled by a candidate of the respective category sponsored by the Employment Exchange, specific reasons therefor should be communicated to the Exchange.

**FILLING UP OF VACANCIES BY PRIORITY/NON-PRIORITY
CANDIDATES IN THE RATIO OF 50:50**

Copy of Government of India, Cabinet Secretariat, Department of Personnel and Administrative Reforms, Office Memorandum No.14/1/74-Estt.(D) dated 14 July, 1975

Subject : Filling up of direct recruitment vacancies by priority and Non-Priority candidates in the ratio of 50:50-instructions regarding.

The undersigned is directed to refer to the Ministry of Home Affairs (now Department of Personnel and Administrative Reforms) Office Memorandum No. 71/300/54-CS (c), dated 28th May, 1955, according to which the Central Government vacancies notified to the Employment Exchanges are to be filled by candidates belonging to the priority categories and those belonging to non-priority categories, in the ratio of 50:50. For this purpose the appointing authorities should maintain a roster starting with a candidate of priority category and while intimating a vacancy, to the Employment Exchanges indicate clearly whether the vacancy should be filled by a priority or by non-priority candidate. In cases where a number of vacancies has to be filled simultaneously by candidate belonging to both the categories, the appointing authority should indicate to the Employment Exchange concerned how many of the vacancies should be filled by candidates belonging to the priority categories and how many by those of non-priority category. Since issue of the above instructions in the year 1955, reservations of vacancies for ex-servicemen including Disabled ex-servicemen have been made. In accordance with the Rule 4 of the Ex-servicemen (Reservation of Vacancies in the Central Civil Services and posts, Class III and IV) Rules, 1971, ten percent of the vacancies in each of the categories of Class III posts and such post in each Class III Service and twenty percent of the vacancies in each of the categories of Class IV posts and of such post in each Class IV service including permanent vacancies filled initially on temporary basis and temporary vacancies which are likely to be made permanent and/or are likely to continue for three months and more to be filled by direct recruitment in any year, shall be reserved for being filled by ex-servicemen . It has also been provided that the percentage of reservation specified for ex-servicemen in a category of post shall be increased or decreased in any one recruitment year to the extent to which the total number of vacancies reserved for ex-servicemen, Scheduled Caste and Scheduled Tribe (including the carry forward reservations for SC/ST) and for any other categories falls short of or in excess, as the case may be, of 50% of the vacancies in that category of post filled in that year.

It has been brought to the notice to this Department that, while a number of establishment under the Government of India, particularly those which came into existence after 1955, are not aware of the instructions of 28th may, 1955, referred to above, many have found it difficult to allocate vacancies to priority and non-Priority

categories against reserved and unreserved vacancies, in accordance with the instructions referred to in para I above. There also appears to be some doubt regarding allocation of posts reserved for SC/ST amongst Priority and non-Priority candidates. It is, therefore, clarified that in accordance with the position stated in para I above, the vacancies reserved for Scheduled Castes and Scheduled Tribes and backing of reserved vacancies, if any, should also be allocated to Priority and Non Priority categories in the ratio of 50:50 while all vacancies reserved for ex-servicemen would go to priority category; and thereafter, the remaining unreserved vacancies should be so allocated among priority and non priority that the total number of vacancies in the priority categories does not exceed 50% of the total number of vacancies in the year, (i.e. the overall ratio of priority and non-priority should be 50:50). The above position will be clear from the illustration given below:-

(If there are 100 vacancies in Class IV posts in a given year, then out of them approximately 25 vacancies will have to be reserved for SC/ST and 20 vacancies will be reserved for ex-servicemen. 5 vacancies may be utilised for filling up the carried forward vacancies for SC/ST if needed). The division between priority and non-priority categories will be as under :-

Number of posts (Class IV) –100	Priority	Non-Priority
1. Reservation for SCs and STs.....	12.5	12.5
2. Backlog or increase or decrease of vacancies in accordance with Rule 4 (i.e. carried forward vacancies for SC/ST in the instant cases)	12.5	2.5
3. Reserved for Ex-Servicemen	20	..
4. Un-reserved	15	35
Total	50	50

The upto-date list of categories to whom various priorities have been allowed for the purpose of employment through Employment Exchanges/DGE&T (Special Cell), which was circulated vide this Department's (O.M- No. 14/21/71-Estt(D), dated 25-12-1971) is also enclosed for ready reference.

The Ministry of Finance etc. are requested to bring these orders to the notice of all concerned for information and necessary action.

DISTRICT COMMITTEES ON EMPLOYMENT

Tripartite Advisory Committees are expected to function at District levels attached to the Employment Exchange in the District.

The District Employment Committees should be geared up to tackle local employment and unemployment problems. The report on a pilot study undertaken in Shahjahanpur to assess the employment possibilities of district development programmes also contains a recommendation on similar lines. The following is an extract from para 18 of that report:

“It was agreed in discussion in Shahjahanpur that in each district there should be a small district employment committee with the Collector as Chairman and District Employment Officer as Secretary so that the employment potential of various development programmes, both public and private, could be pursued more systematically from month to month. In this way, with the need to increase employment as a driving force, local programmes could be oriented towards production and employment to a much greater extent than is done at present.”

In view of the above recommendations, all State Governments were requested to set up District Committees on Employment. It was also requested that steps may now be taken to bring the functions of the District Employment Advisory Committees also in line with those of State Committee on Employment. These committees be charged with the responsibility of developing the employment potential of the district, in addition to its usual function relating to matters connected with the Employment Service. The actual composition of District Committees on Employment in a State as also their functions etc. will be decided by the State Government concerned.

(Para 10.1 of Part IV)

Copy of Office memorandum No. 15/8/61-Estt. Dated 23rd December 1961 from the Ministry of Home Affairs to all the Ministries of the Government of India.

Subject: PROFICIENCY IN TYPEWRITING FOR APPOINTMENT TO CLERICAL POSTS UNDER THE GOVERNMENT OF INDIA- EXEMPTION FROM , IN THE CASE OF PHYSICALLY HANDICAPPED PERSONS

The undersigned is directed to refer to this Ministry's O.M. No. 71/67/56-CS (C) , dated 15th September, 1956 under which a speed of 30 words per minute in typing has been prescribed as an essential qualification for recruitment made through the Employment Exchanges to posts of lower Division Clerk. Representations have been received in this Ministry that the above condition operates very harshly in the case of physically handicapped persons who are otherwise eligible for appointment to posts of Lower Division Clerk but cannot be so appointed for the reason that they are not able to satisfy the typing qualification due to the disability they are suffering from. It has been represented that typing qualification in their case should not be insisted upon.

2. After careful consideration of the matter, it has been decided that such of the physically handicapped persons who are otherwise qualified to hold clerical posts and who are certified as being unable to type by the medical Board attached to Special Employment Exchanges for the Handicapped (or by a Civil Surgeon where there is no such Board) should be exempted from the typing qualification. Accordingly, while retaining the typing qualification in the recruitment rules for the posts of lower Division Clerk, a provision should be made therein that this qualification will not apply in the case of such of the handicapped persons as mentioned above. The ministry of Finance etc., are requested to take steps for modification of the recruitment rules on the above lines.

APPENDIX IV (4)

(Para 11.2)

Copy of Office Memorandum No. 39016/6/77-Estt (C), dated 4th November, 1977 from Ministry of Home Affairs (Department of Personnel and Administrative Reforms) addressed to All Ministries/ Departments.)

SUBJECT: RESERVATION OF POSTS FOR THE PHYSICALLY HANDICAPPED PERSONS IN GROUP C AND D POSTS/ SERVICES UNDER THE CENTRAL GOVERNMENT.

The undersigned is directed to say that the question of reservation of posts in the Civil Services for the physically handicapped persons has been under consideration of the Govt. For some time. While the number of persons physically handicapped in various ways is considerable the question under consideration has been confined for the purposes of employment of the blind, the deaf and the Orthopaedically handicapped persons. The President is now pleased to decide that the reservations in Group C and D posts/ Service for physically handicapped persons listed below should be made to the extent indicated against each.

Category of the Handicapped	% of Reservation
(I) The Blind	1%
(II) The deaf	1%
(III) The Orthopaedically handicapped	1%

2. The categorization of the physically handicapped persons for purposes of reservations in employment will be on the basis of definition furnished in the Annexure attached to this Office Memorandum.

3. The reservation of posts should be made separately for each of the aforesaid three categories of the physically handicapped persons but provision may be made for inter-se-exchange of vacancies if 1% candidates belonging to a category of persons are not available or if the nature of vacancies in an office is such that a given category of persons cannot be employed. If in any year, the vacancies reserved for these categories are not filled, the reservations should be carried over for a period of upto two recruitment years. In order to implement these reservation orders, the jobs which can be performed by various categories of physically handicapped persons without loss of productivity, would be identified by the Ministries/ Departments concerned.

4. Where a Department consider that it is not possible to provide for the physically handicapped to the extent of the reservations in view of the nature of duties expected to be performed by the employees in any particular Department that Department could be partly or fully exempted from the reservation orders. The grant of such exempt shall be

decided by an inter Department Committee to be set up by ;the Department of Social welfare, on which the Department of Social welfare, Department of Personnel and Administrative Reforms, Department of Health and the Administrative Department concerned would be represented.

5. In the categories of jobs which are identified by the Ministries/ Departments as being particularly suitable for handicapped persons, other things being equal preference should be given to handicapped persons for such jobs even in excess of the quota reserved for them in accordance with the instructions contained in paragraph I above.

LETTER TO BE ADAPTED FOR USE IN APPROPRIATE CASES AS A FORM OF INFORMATION TO AN EMPLOYER IN MAKING AN APPROACH IN THE PLACEMENT OF THE PERSONS WITH DISABILITIES.

Full Address of the Employer

Employment office for the Physically Handicapped Directorate of Employment

Dear Sir,

You may be aware that the Employment Service also assists persons with disabilities such as the blind, deaf and dumb and Orthopaedically handicapped in obtaining suitable employment. My duties in addition to that of Employment Officer for handicapped include identifying occupations suitable for the persons with disabilities, and collecting information about the size of the problem and the special needs of the disabled.

Experience in some of the more developed countries has shown that there are very few spheres of human activity in which the persons with disabilities cannot compete on equal terms with the able-bodies, provided they are properly trained and given the opportunity of proving their worth. Already in this country a start has been made in placing the handicapped/ persons with disabilities in employment and, there is evidence that, in carefully selected occupations in which the disability is no handicap, they are proving to be as good if not better than the able-bodied.

In practice, there are very few occupations which require the use of all of a worker's physical and mental faculties; for example there are many operations in which has only qualification required are manual dexterity, average intelligence, normal mechanical skill and the will to work. These operations offer good opportunities for the blind, as possession of sight does not necessarily increase worker's efficiency, nor does blindness reduce learning ability, efficiency or versatility. Similarly, there are numerous occupations which do not entail the perception of sound and so can be performed satisfactorily by the deaf; there are other which do not require the use of both hands or both legs or arc sedentary etc. and are therefore, suitable for the Orthopaedically handicapped. In fact, it can safely be said that the majority of occupations would, if analysed be found to be as suitable for the disabled as for the able- bodied.

I have on my register a number of persons with disabilities who are seeking suitable employment. Some of them have been trained at the National Institute for the Visually handicapped, Dehradun and other training institutions where the training aims at imparting self- confidence and manual dexterity. Others have received prevocational education and training at any institution for the handicapped and have been recommended by the institution as being suitable for the anxious to obtain work.

It is possible that there may be openings in your factory which would be suitable for some of these persons and I should, therefore, be grateful if you would kindly permit me to visit you personally, by appointment, in order to discuss the matter with you. I should also welcome the opportunity of going round your factory, if possible with the person who is responsible for the engagement of staff, so that I can observe the various operations and make simple job analysis of those occupations which seem suitable for the handicapped persons. If you are able to concede to my request, would you kindly suggest a suitable date & time for my visit, giving ; if possible a few days notice.

Yours Faithfully,

Employment Officer
